

Specialty Camp: Journey 2 Pioneer Camp 5th & 6th Grade | July 14-19

Pioneer Camp is one of our newer camps that has been a hit. The campers sleep in what you see above called a 49'er tent, meaning metal roof, metal front and back, then canvas on either side. They are essentially sleeping outdoors, on a bunk. Think glamping. There is no air conditioning; there is access to the bathhouse for all essential needs. Besides the living spaces, the campers get to be one with nature and experience camp on a whole other level.

Dean: Anna Horton

Check-in: Sunday @ 4 PM

Pick Up: Friday @ 2 PM
