

Little Footprints 1 | June 3 & 4 | Incoming KG-2nd |

Our 2-day, day camp sessions introduce Kindergarten through second graders to camp life. They will check in at 8:00 am at the Retreat Center and start getting to know the Dean and the other campers. Campers get a natural feel for what they'll get to do in the years ahead. From worship and learning times to snack time at our Pop Shop to swimming in the pool, campers will have a blast while making new friends and growing closer to God. Pick-up is at 4:00 pm that same day. Then, your child will return the next day and have even more fun.
